To all the Members of the Cedar Valley Woodworkers Club

Welcome to April!! I sure hope that April's weather is a lot better than March was. I sure hope that Spring shows up this month and winter is gone. How many of you are with me??

I want to thank all of you that have brought your finished projects for Show & Tell. I really enjoy seeing what all of you are making.

While I'm at it, I want to thank Roger Jordan for volunteering to take one of the openings on the Board.

Thank you Roger!!! Now we still need another person for the Board and a Second Vice President.

The tour of Wood Components and Technology was really interesting. We were not allowed to take any pictures in the plant but they did let us take a couple of group pictures by some of their lumber. They are a Job Shop, so if you need something made and you don't have the equipment, check with them to see if they can make it for you.

At the end of the tour they had some lumber for sale. It was in 100 b.f. lots.

Red Oak.	\$210.00
Premium Select White Pine	\$240.00
Cherry	\$353.00
Popular.	\$132.00

They were in different lengths and widths in bundles that couldn't be opened. If you are interested call 319-277-5050 and ask for Curt.

We were also told that if anybody in the club had some wide lumber that needed to be planed and sanded down that they had a machine that could do it. If I remember right the machine can handle up to 22" wide. It would cost \$25.00 an hr. to get it done.

For April we are going to have Andy Ruitter as our guest. He is going to talk on Wildlife Wood Carving.

I see the 40<sup>th</sup> Annual Iowa State Woodcarvers Show is April 20<sup>th</sup> & 21<sup>st</sup>, 2013 at the Waterloo Center for the Arts in Waterloo Ia.

Hope to see all of you at the meeting April 9, 2013.

Your President,

Terry G. Duckworth

## CVWA March 12, 2013

President Duckworth called the meeting to order and welcomed everyone. There were 53 members present. He expressed the clubs need for a second vice president and two new board members and asked for volunteers. Please consider helping!!!!!!

Terry thanked all the members that brought treats tonight. They included Don Collum, Kenny Waller, Reed Craft, Tom Romanin, Roger Gast, and Marvin Widdel. Thanks gentlemen!

Dave Turner spoke about the tour that was taking place at Wood Components and Technologies in Cedar Falls at 1:15 P.M. on Thursday the 14<sup>th</sup>. (after the fact) 30 individuals showed up for a very interesting tour. Dave also spoke about a request for a club member to build a bed for an outside individual, Mr. Carlson.

Bob Hewlitt asked members to consider donating some wood 4" X 60" X 3/4" for flag boxes built by members of the club for the students from Columbus High school that were traveling to France this year. The glass will be donated as well as the labor by members. They will be built at Dick Buchanan's. Individuals interested in helping contact Bob Hewlitt or Dick Buchanan.

Ken Schwake spoke about an individual in the club that had some outstanding qualities (at least in his mind), thanks Ken, that was not expected but very nice.

Fred Riche talked about a kitchen full of cabinets (great for a shop or garage) that he wanted to sell.

Show and Tell : Dave Turner showed a dust collection pipe and anti collapsing strap, Jerry Krug showed several bowls made with a router, Brad Cole showed a multi specie wood cutting board, Bob Renz showed two turned apple wood containers using different finishes on each, Chip Schmidt showed an airplane a story about the making of it, Bill Neal showed two router made bowls that he

made with the ovals from Wood Technologies ( which he donated to give back to them), Sid Sidler showed two birds (a goldfinch and a cardinal) that he had carved (mentioning that birds were his least favorite thing to carve), and Kevin Gade (a new member) showed a football and a bowl that he had made by segmenting wood pieces and then cutting them on a bandsaw.

The raffle winner this month was Bob Renz and he choose the carbide turning tool. The lucky tape measure winner was Dick Buchanan. The sanding block winner was Marvin Widdel (w/no cord).

After the break, our guest speaker was Randy Herman from the Omega Outlet store in Denver, Iowa. He spoke about his cabinet shop that he operated and also the outlet store. He reminded us that the outlet store was open from 9:00 A.M. to 5:00P.M. on each Wednesday.

Respectfully submitted,

Pat Vollbrecht

## CVWA exec meeting 3-19-13

The meeting started promptly at 7:00P.M. There was one guest, Roger Jordan, who consented to be on the board. Thanks Roger!! Other board members present were Gene Knief, Reed Craft, Dennis Gilroy, Dan Grimes, Terry Duckworth, Dave Turner, Bob Hewlitt, Wanda & Paul Bailey, and Pat Vollbrecht.

As of yet, no one has stepped forward to be second vice president. Come on folks, this is your club!

We currently have 86 paid members.

Dave Turner once again provided Village Inn pies for treats! Thanks Dave!

The treasures report was given and accepted.

April's meeting presenter will be Andy Ruiten talking about wildlife carving. May's presenter will be Kevin Hartnett talking about scrape wood projects.

July will be Jerry Krug on making router bowls.

Bob Hewlitt talked about the flag cases that the members will make for the Columbus students going to France. He expressed that a 3 X 5 flag takes a piece of lumber 4" X 48", (12" -12"-17"), a 4 X6 flag takes a piece of lumber 4" X 56" ( 15 ¼" - 15 ¼" – 21 ½") and a 5 X 9 flag takes a piece of lumber 4" X 66" ( 17 ½" – 17 ½" – 25"). Members wishing to donate lumber please call a board member. Carl Leavell has indicated he would donate some lumber. Roger Kittleson will donate some plywood for the backs. The cases will be made at Dick Buchanan's shop.

Starting at the April meeting the reference books that have been donated to the club will be able to be checked out at the Tuesday night's meeting.

The newsletter deadline is March 29, 2013.

Respectfully submitted,

Pat Vollbrecht
