Cedar Valley Woodworkers

Hi to all the Cedar Valley Woodworker's members!!

Here it is July already and I hope that it is dryer in July than what we have had so far this year. I know last year we couldn't buy any rain and this year we can't shut it off. I've had trouble trying to mow my yard this year. But on the brighter side I have been in the shop more.

What have I been making in my shop you may be asking? Well I've tried to make two more plaques. Why I say try is because the first one is a wedding gift for my niece that is getting married on July 6th. I've only ran it 3 times because the first time the double wedding rings was cut to deep, so I had to redo the program so the machine wouldn't cut them so deep. So, to save wood I turned that one over & reran it on the back side. That one came out good so then I had to rerun it on a new plaque. As of right now I'm about done with that one.

The second plaque is for an old friend of my wife's that just celebrated her 50th wedding anniversary on June 15, 2013.

Well I got this one all ran and even painted the rings so all I needed to do was route the outside. Well I did that this afternoon and you wouldn't believe what happened. As I was routing it this afternoon I found out that I didn't set his name in far enough so now I have to redo this one also. So see if you make a mistake on your project you are not the only one. I believe we all make a mistake on some of our projects.

Don't forget August 23-25 at Amana Colonies RV Park's is the Woodfest, it is FREE!!! It starts at 10:00 A.M. each day. Then in September is Cattle Congress, We need some of your projects for display, see Reed Craft for more details. Then I also want to mention that at November's meeting you need to bring your toys for the Salvation Toy give away.

Hope to see a lot of you at July's meeting on July 9th, at the Waterloo Art Center at 6:30. Don't forget to bring some of your projects for Show & Tell. Our special guest is Jerry Krug and I don't think you will want to miss what Jerry is going to show us.

CVWA Minutes 6-11-13**CVWA-Board Meeting Minutes June 2013**

President Terry Duckworth called the meeting to order promptly at 6:30 P.M. There were 54 members present and one guest. (Our speaker was Todd Derifield, Waterloo Forester). There were two new members that signed up at tonight's meeting: Dean Meier and Howard Fraser – welcome gentlemen!

Thanks to Keith Johns, Craig Johns, Dick Buchanan, and Arthur "Chip" Schmidt for bringing treats tonight.

Terry expressed to the members that we have areas that the members should be thinking about before fall sets in: one is the wood working competition that has six different classes in it at the Cattle Congress here in Waterloo in September. The other is the Salvation Army Toy giveaway for children at Christmas time. Please be thinking and working toward these two worthy projects.

Dave Turner addressed the group and talked about how Pete Culum, Bob Glawe, and Gary Klobberdanz had donated items to his garage sale that were sold and then the money donated to the tool fund. Thank you all for your thoughtfulness. He also spoke about a tour that is planned for Saturday at Cecil Holmes, at 315 Jefferson, Hudson, IA. at 9 AM to 12 PM.

Terry also spoke about last month's demo being on u tube. Keith Bailey is taping our presentations and then posting them. There is a link on the website under newsletters. What an asset to our club Mr. Bailey is!!!!!!! Thank you, Keith.

The next board meeting will be June 19th at Dave Turner's at 430 Prospect, Waterloo at 7 PM. The next scroll saw meeting is June 27th at Art Mehman's near Plainfield.

The winner of the raffle was Gary Klobberdanz and he chose the Fulton finger joint blade set. The lucky winner of the tape measure was Don Baker and the winner of the sanding block was Craig Campbell.

Sid Sidler reminded attendees about the International Wood Carvers show at the fair grounds in Maquoketa, IA on Thurs thru Sunday.

Our show and tell items included: Gene Knief showing a "Hinge It" jig for European hinges and a rust remover "Krud Kutter" from Menards, Picture frames from Dan Grimes, scroll sawed bible stands by Garylee Thurm, 4 turned bowls by Sid Sidler, Shaker clock and child's book case by Reed Craft, and Dick Buchanan's Scooby Doo door and bookshelf enclosure he built for his daughter's basement. The talent and skill within the members of our club is absolutely amazing!

After the break, Todd Derifield, Waterloo city forester gave an informative and enlightened presentation on the trees of and in the city of Waterloo.

Respectfully Submitted-Pat Vollbrecht

The June 19, 2013 Board meeting was held at Dave Turner's home. President Terry Duckworth called the meeting to order at 7PM. Twelve members were present. We were all very happy to have Bob Renz come as a visitor to the Board and to see what goes on behind the scene. We hope that it will be a fit and he will join us at future meetings. Thank you, Bob!

The Treasure's Report was discussed as prepared by Paul Bailey. Relative to the Tool Sale held at Dave Turner's home, \$20 more will be added to the total which will show up in next month's report for a total of \$143.50 -applied to the Club's Tool Fund.

Discussed also was the increase in rent for use of the room at the Art Center of \$550.00 per annum. Included in the rent is the use of the larger room used for the Christmas Party in December, presently. However, that will change and that will NOT include the use of the larger room in 2 years. That amount will be added over-and-above at that time.

Discussed also was the postage cost for the Newsletter that we send out. Because of the size of the Newsletter and postage cost, thought is being considered of adding \$5 to the annual membership dues to those individual members that would still like to receive the Newsletter by mail, rather than on our Web page. Brought up at the Board meeting, was the question of how many members actually open up the Web's Newsletter. Should we do a survey?

Bob Hewlett will call our next Program speaker as a reminder. Speaking of program speaker, Dennis Gilroy talked about being able to locate a "cable" that the Club can hard-wire the video equipment directly to the computer for better imaging and it was asked if Keith Bailey would be able to continue to video tape the programs because he has professional video equipment and expertise to do so.

It was reviewed for future Club programs and that we would have Jerry Krug talk about making bowls using the router. August program will feature Kevin Gade. He will show how he made the walnut football and turned it, segmented, on the lathe.

There will be NO program for September. Rather, in lieu of having a program scheduled at the Art Center, we will continue with what has become the traditional, "Shop Tour and Picnic" –spear-headed by Dennis Gilroy. Dennis said he would start with the "Sign-up Sheet" for July and into August so as to get an approximate head count necessary in determining how much food to buy. Also the names of the members who would be hosting this year's picnic/shop tour were announced. The Tour hosts are (4); Bob Renz, Gary Klobberdanz, Fred Richie and Les Collum –not in that order, necessarily. The park shelter where the picnic is to be held will be at Island Park in Cedar Falls, IA with rent of \$20.

Discussed also, was whether to add additional prize money, over and above, the prize money, ribbon and award already given to the winner of "Best of Show" from the Cattle Congress. The thought being that since C.V.W.A., is already an "unofficial sponsor" in the wood category, according to Reed Craft and echoed by Gene Knief, that perhaps by doing so, it may stimulate additional entries to the contest, held in September. Bob Renz

suggested, rather than give a monetary amount (and thus, it would not cost the Club any money) to the winner of "best of Show", that we offer a free year's membership to the Cedar Valley Woodworkers. It was then changed to a motion, seconded by Wanda Bailey, and carried unanimously.

Terry Duckworth read a letter sent to him about meeting with the Club's Corp. attorney, Eric Johnson, via Amy Knoll, to discuss if there was any changes that needed to be addressed or changes in the bye-laws of the Club. This is routine procedure and acted on at the beginning of the November Club meeting.

Wanda Bailey offered to update the pictorial directory as a motion. Dennis Gilroy seconded and then carried unanimously

Dave Turner is in the process of collating a list of items to be forwarded to Mr. Todd Block at Campbell Supply Co. in Waterloo, about the prospect of carrying an expanded product mix of tools and accessories for the woodworkers in the Cedar Valle area.

Dave Turner will also continue working with setting additional tours for the Club members. The tour to Cecil Holms in Hudson, IA was a success with average number in attendance

Respectfully, submitted by Dave Turner, for Pat Vollbrecht

12th Annual Shop Tours & Picnic

Sunday September 8, 2013

Don't forget to mark Sunday September 8th on your calendar for this year's Shop Tours & Picnic.

The shops for this year's Tours include:

First tour: Gary Kloberdanz Waterloo 1:30

Second tour: Bob Renz Waterloo 2:15

Third tour: Fred Richie Cedar Falls 3:15

Fourth tour: Les Collum Cedar Falls 4:15

The shop tours are set up for 45 to 60 minute intervals. (There are a lot of people moving from shop to shop.) This includes touring the shop and travel time.

****Times are estimated. Not everyone tours and travels at the same pace**

The picnic will be held at the Island Park picnic shelter 1 Cedar Falls. **Bring a hot or cold dish to share (with serving spoon if needed), table service & drink and a lawn chair.**

The club will provide Sloppy Joes, buns and condiments.

For those of you who can't make the tour, but would like to attend the picnic, it will begin approximately 5:00, or when the majority is done touring Les's shop.

There will be a sign up sheet at the July and August meetings. Maps to the first tour will also be available at the July and August meetings.

REMEMBER: SPOUSES ARE INVITED
